

2020 is our *20th year* proudly serving the city of Chester and whilst it's an understatement to say that this year hasn't quite gone to plan, we're back & couldn't be happier to welcome you again.

Over the past two decades we have had over *40* different cocktail menus created by our very own weird & wonderful bartenders both past & present.

For this very special menu we have searched through the archives & brought back some of our most popular drinks for you to reminisce over, or try for the very first time! So let's raise a glass & *Cheers to 20 years!*

Jason, Jack & the team.

Cheers to 20 years!

To celebrate our 20th year we sent Jason to the South of France to perfect our own Barlounge blends. Many hours, headaches and bottles of wine later, our exclusive Barlounge tipples were born.

The grapes selected are from one of the regions finest wineries creating some beautifully tasting wines to be drunk alone or with many of the dishes on our menu. We loved them so much we even created our own label specific to each one.
